Volume III Issue 3

Members of the Plumbers, Steamfitters, and HVACR Service Union Local 21 Pipe and Drum Band

They volunteered their time and talent for the Cancer Awareness
Race Rose Ceremony last September.

It was truly a moving experience for all who were there.

THANKS GUYS!

WE NEED YOUR HELP!

If you have a few hours to give to the festival we can use you.

We need volunteers for a number of positions, including assistance with the Dragon Boat Races, Information Booth, and Kids Crafts.

We also need people to help distribute our posters and program books throughout the area. If you have sometime and would be able to drop off books at businesses while you run errands please let us know.

See the attached form to register today and receive along with our utmost thanks a commemorative dragon boat t-shirt.

A couple of hours is very appreciated and will go a long way in aiding us in putting on the Festival.**

THANKS
